LACC Shared Governance Council Report

September 15, 2011

I. Over the summer 2011 SGC reviewed the following:

A. Some filming will continue to occur on campus

B. Updates given about the new projects and issues: South Gym, Da Vinci, Student Services Bungalow, Design standards introduced, Red line/Vermont Ave Funding, New Budget Transfer rules, and State Bond audit.

C. New leadership of the ASO introduced: Jaden Ledkins, President, Shane Poepppe, Vice President and the ASO informed the ASG of a changing logo that is being used for the current fall 2011 semester.

II. September 12, 2011 meeting review of Administrative Services Report. The report highlighted the following areas:

A. Minimize use of general fund use for student salaries

B. Salary savings may be carried over and not used for operating costs

C. The college is working with the Foundation to create a centralized process for all grants

D. There will be a policy to reassign computers, and other office equipment that is no longer needed in a department. Currently, equipment cannot be traded among departments until there is an established college policy.

E. The long range goal is to do away with desk-top printers and to use copy machines to satisfy our printing needs.

F. A-Team is designing the timelines and duties for a final review. The plan is to have a second draft before the winter 2011 holidays. Accreditation is a way of live and not an “intermittent activity.”

G. 3 Full time faculty have been hired: Physics, Child Development Center and Dental Technology

H. Fall, FTES is 106% of Fall 2010, There will be no winter or summer sessions in the coming year; therefore we need to make FTES in regular semesters.

I. The spring schedule is on track. FTES will be reviewed once we have exclusion roster information.
III. Sept. 14, 2011- overview of committee times and duties for the next academic year

IV. From August 17, 2011 documents, there was a review of the “Findings of the State Controller” given in the Chancellor’s Report was reviewed.
