**Participants**
Daniel Marlos, Arax Cohen, Dana Cohen, Kathleen Beaufait, Dan Walden, John Freitas, Jimmy Guevara
Guests: Gary Colombo

**Meeting Outcomes**

- **Discussions**
  - Centralize Basic Skills tutoring services in one area.
  - Consider fee for service for lowest levels of assessment.
  - Determine ceiling and lower threshold for English and Math for remediation. Lower threshold might be better served with community services classes or adult education offerings off campus.
  - There are currently parallel programs with non-credit and learning skills.
  - Scenario: Non-credit, Community Services, Learning Skills, The College: Together and coordinated. A college readiness academy. The college would need to provide support for the diagnostic program.
  - There is a need for remediation
  - There is a duplication of remediation on campus
  - Low transfer of students from Learning Skills to Basic Skills English and Math.

- **Tasks to be completed:**
  - Create a new timeline for viability completion, including open forum in early February

**Adjournment:** 5 PM

**Next meeting:** December 2, 2013 @ 3:30 PM in SCI 324P
