Access Recommendations

1. This section was left blank and needs to be completed by the program.
2. An improvement plan should be identified.

Success Recommendations

1. The reference to maintaining the status quo might have been acceptable if there was some explanation about why that is the best thing for the discipline based upon qualitative and quantitative data.

Accountability Recommendations

1. This section needs to be rewritten by the program.
2. Improvement plan(s) in this section require(s) more data analysis before they are implemented.
3. No improvement plan. Please review the data to develop an appropriate course of action.

Partnerships Recommendations

1. This section needs to be rewritten by the program.
