Table 1

Summary:

Noncredit Workforce Education offered **118** sections during the summer 2010 term at Los Angeles City College. Enrollments for noncredit Workforce Education, during that term, were **4,135** and the estimated FTES generated as of September 20, 2010 was **155.56**. **Table 1**, above, provides a detailed breakdown of those figures by course subject name and number.

Notes:

- Data extracted from the LACCD Student Information System (SIS); COURSE_SECTION and COURSE_SECTSCHD on 09/20/10 and figures are subject to change thereafter.
- Sections reporting 0 Positive Attendance hours were excluded from the analysis.
- Only paid sections and sections with active enrollment greater than 0 were included in this analysis.
